## **【PMMA Dealing Gangs Are Indicted】**

After three juvenile's death caused by abusing PMMA in May and June, 2020, Chief Prosecutor Ker initiated an investigation task force led by Prosecutor Lin against drug dealers in Keelung City. The investigation launched and tracked down the dealing gangs started by three male suspects (Chen, Wu and Liu) on July 7<sup>th</sup>, 2020. Chen, Wu and Liu were indicted with selling Category two narcotics crime under Article 4 of Narcotics Hazard Prevention Act on August 8<sup>th</sup>, 2020.

Prosecutor Lin led the Second Precinct of Keelung City Police Bureau to swiftly trace the selling tunnels and revealed the gangs selling drip bag coffee which contains PMMA, at the price of NTD600 per bag. Three suspects manipulated juveniles as selling tunnels to avoid investigation from police but still in vain. Chen, Wu and Liu were all under detention during investigation.

In order to protect youngsters from drug abusing, the Prosecutors Office commenced a series of promotion. It not only demonstrates the severe damage caused by drugs but makes people identify disguised drugs easily. We also build up a strong investigation system against drugs, there will be zero tolerance of drugs in Keelung City.
